Diving on Kalymnos island Greece

Kalymnos island which is famous as "The Sponge Diver's island", with a unique diving environment, heritage, background and culture, is one of the best diving destinations in Greece.

The clear, high visibility, current free, warm sea round our beautiful island includes an excellent rocky sea floor with a rich ecosystem, full of caverns, reefs, walls and wrecks.

KALYMNOS Diving Center – PADI DIVE RESORT

KALYMNOS Diving Center is a **PADI DIVE RESORT**, insured by **DAN** Europe. We are an official Greek Recreational Diving Service Provider, certified by **BUREAU VERITAS** to offer organized / guided dives and diving equipment rental, according to the European Standards.

We are operating since August 2008 with brand new CE diving equipment, based in **hotel ELIES** and using the high standard Conference Amphitheatre and swimming pool for diver's training. While our shore and boat diving is done to the most exciting dive sites of the island.

Our Diving Services

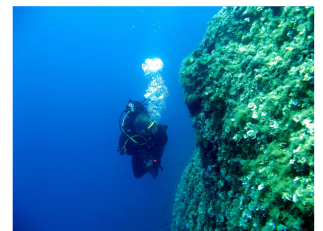

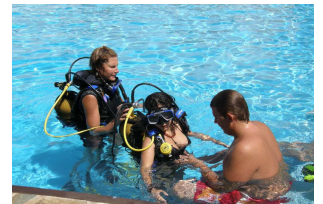

- PADI (European Standards) training & certification to non certified divers and specialty / advanced training to certified divers.
- Guided Diving to individual certified and non certified divers
- Organized Diving to groups of divers with their own instructors and dive leaders.
- Diving Equipment rental to experienced certified divers.

Co-operations with Diving Professionals

We are open to co-operation with Diving Schools, Diving Clubs, Diving Tour Operators and Travel Agents who would like to extend their activities on our beautiful island and to benefit from our high quality Diving Services and the package deals with accommodation in hotel ELIES, at the most unbeatable prices on the Greek islands.

Co-operation with Climbing Professionals

We are open to co-operation with Climbing Schools, Climbing Clubs and Groups of Climbers who would like to include diving experiences and adventures to their climbing holidays on Kalymnos island. Special care can be taken to tailor the diving experience and adventure to the needs and rest days of climbers.

PADI is the most recognized Diving Organization worldwide.

PADI certifications allow divers to dive anywhere in the world.
